### **New Federal Website Offers Grants Info and Research to Counter Domestic Terrorism**

The federal government has launched a new tool to equip the public with easier access to grants and resources across 17 agencies as part of its ongoing efforts to counter domestic terrorism nationwide.

The Department of Homeland Security said the new website [PreventionResourceFinder.gov](https://www.preventionresourcefinder.gov) was developed in collaboration with a wide array of federal partners, including the Cybersecurity and Infrastructure Security Agency and the Department of Health and Human Services, to provide visitors with more than 100 federal resources supporting research and local projects aiming to prevent targeted violence and terrorism.
